Amen dico vobis quod
[illegible]

luminum descendit de isto cum per quod
nulla petitio digna sit ad angelos
et ad sanctos dei. Dicitur isto modo quod petitio
dirigitur ad aliquem dupliciter primo sicut ad da-
torem et 2° quasi ad intercessorem primo modo pe-
titio sola dirigenda est seu vertenda
solum ad deum quia ipse solus dat colum
bonum quod nos petimus ut dicitur de
2° potest dirigi ad sanctos sicut ad intercessores
unde dicitur quod omnis petitio est in nomine
ihesu filii eius quia dicitur in luca in nomine me
o quod ibi in est significatum ad quod ipsi collecte gra-
dualiter per dominum nostrum ihesum christum dicitur 2°
quod petere debemus in nomine ihesu ad designan-
dum nostri virtute quod non est intendendum quod
ut est petendum nisi quod pertinet ad sa-
lutem quia nomen saluti interpretatur 2° ergo sit
ut dilectum quod patre ut ad filium quod da-
ta est ut dicitur in nomine filii petitur a patre
impetratur 3° hoc est quia ihesus innuenit
pre nostre petitionis cum sit exaudibilis
et dico ipse rogavit prorsus petitione
petitionis apud ipsum exaudietur
Claudo quia per propriis petitione nostre
bonum postulando quod est grem et certa
est ita iohannis primo gratia et veritas per
ihesum christum facta est. Dicitur idem
ab ista forma petitionis orandum est semper
sicut dicitur quod non quia in quibus petit in
nomine ihesu i filii dei dicitur deliciis
filius eius quod ad prorsus petit est in nomine
spiritus sancti filius quod spiritus sanctus nisi sit nisi amor
quo pater et filius mutuo se diligunt dicit
vobis vobis dicitur nisi petierit prorsus
in nomine filii et non sunt exauditi ut paulus
qui ter rogavit dominum ut auferret
stimulus carnis ab eo et non sunt ex-
auditus quod ergo liberetur quod ut dicit. Respondetur
dicitur quod super innumerata iohannis et paulus
sunt exauditi et licet non quoad voluntatem
tamen quoad utilitatem. Ergo quod nonnumquam
quod aliqui a deo exauditi sunt licet non quo
ad voluntatem tamen quoad utilitatem et
quoad voluntatem et utilitatem sit de uno
ad voluntatem non exaudit aliquem deus sicut
medicus infirmum desperatum exau-
dit quod ei concedit quia quod vult sed quia
ipsi infirmus de voluntate sed non utili-
tate sic etiam domus sunt exauditi ut
patet iob primo ergo petens licentiam tempta-
di beatum iob et homo sic legitur ma-
thei octavo demones sunt exauditi

ad voluntatem sed ita etiam exaudiunt super-
bit in hoc vera petitione bonorum temptati
sunt quibus dominus sancti temptati
et cuilibet sanctorum in iniquis i eadem sicut
sicut ad utilitatem sui deus
aliquem sicut medicus exaudit
febricitantem petentem vinum de
sua salute qui non credit
vinum prohibens in quo eius utilitatem
sed non implevit eius voluntatem et pau-
li a deo sunt exauditi ut dicit
et quod ad voluntatem et utilitatem sit
deus exaudit aliquem sicut medicus exau-
dit febricitantem qui in quo qualiter vinum
petentem cui credit et in hoc implet eius vo-
luntatem et procurat eius utilitatem quia uti-
le est vinum sumere ut eius restau-
ret. Isto modo exaudivit deus apostolos
ad missionem spiritus sancti ut spiritum sanctum
eis mitteret unde in hoc eorum voluntas
fuit impleta et cum hoc utilitas
procurata. Dicitur isto modo non perfecte
petitur quod non sit verum. Non io-
hannis 14° dicitur quod ipse a domino pe-
tierunt discipuli quando nobis
prorsus videtur quod ad mortem
ipsum petiverunt petierunt dominum dico
primo quod licet eum petierunt in
nomine eius quia ad non habue-
runt perfectam noticiam eius et excercitionem
quod de virtute nominis eius sic ad
petendum sicut habuerunt. Vel ratio
quod sunt disfugati et castra-
ti vel ergo quando dicit prorsus usque
ad tempus mee passionis i. quam
vobiscum non petiistis quod quia in nomine
meo quia vobis nondum noti sunt
vos igitur. Sed sed non sunt petiti
tamen prorsus et accipietis gratiam in
qua quod est magis domini et gloriam
futuro sed ut gaudium vestrum plenum
sit. 2° potest dici quod licet per petie-
runt sed quia petierunt sanctum
sed nunc sibi ipsis petere debuerunt
quia prorsus sunt furerunt illuminati vel
quia post quod dicitur non petierunt in
nomine ihesu sed ipsi de ipso tamquam de
quodam mediatore petebant ab eo ut
assiderent ei prorsus ut gaudium vestrum
plenum sit. Ubi dicitur quod est gaudium
sed varium gaudium dicitur prorsus

sicut ipse per se pater amat vos quia ego
et quia vos amastis me unum patri
qui nos amare videndo non est causa quia
deus amicos nos fecit si ponimus eum
Et postea patri quod sit [illegible] mo-
tivum in oppositum causa [illegible]

exivit a patre non est [illegible] quod exivit
secundum [illegible] a [illegible] ut secundum [illegible]
a toto ut secundum effectus a sua
causa [illegible] et effectus differunt
in essentia pater autem et filius sunt unius
essentie sed filius exivit a patre secundum
unum [illegible] ut quod natus a
patre unum eius [illegible] et quod na-
tivitas eius quod non fit per motum
ut per motum [illegible] eius secundum
filius [illegible] exivit a patre si [illegible]
[illegible] quod natus a patre mane-
do apud patrem [illegible] a [illegible]
[illegible] evangelium [illegible]

[illegible] a patre Et de sua incar-
natione [illegible] et veri-
[illegible] et de sua [illegible]

debat ad ea que fuerunt
[illegible] latentia et quia
non erat [illegible]
unum dicebat ad omnia [illegible]
[illegible] manifesta [illegible]
[illegible] latentia [illegible] et in
[illegible] quod omnia
quod [illegible] voluntatis fue-
runt [illegible] interrogare
[illegible] non est opus [illegible] ut [illegible]

[illegible] opus [illegible] interrogare [illegible] non
est opus [illegible] interrogare
quia [illegible] omnia sit et omnia [illegible]

[illegible] Et ergo dixe-
runt non est opus [illegible] et non dixe-
runt non est opus nobis sed dicitis
[illegible] interrogasse [illegible] quod non fecit ut
[illegible] dixit si ut [illegible] doceret
[illegible] enim quod [illegible] interrogavit

gavit ut doceret [illegible]

Homo quidam habebat villicum

Istud evangelium scribitur Luce 16to in quo ostenditur quod [illegible] non sit dominus temporalium bonorum sed tantum dispensatores de quibus reddituri sumus rationem. Et dividitur in tres partes principales. Prima ponit citacionem villici ad reddendum rationem. Secunda ponit eius sagacitatem ad futuram provisionem. Tertia commendat eius prudentiam et eruditionem. Secunda ibi Ait autem villicus. Tertia ibi Et laudavit dominus villicum. [illegible]

Nemo potest duobus dominis.

Dominica .v. post Epiphaniam

Sed quia ut ait Augustinus in libro de doctrina christiana, dum duobus dominis servire iubetur, neutri servit, sicut ait Dominus in evangelio, Nemo potest duobus dominis servire, scilicet Deo et mamone, id est divitiis. Et hinc ad civem pertinet, non propter predicti civis, sed propter salutem eorum qui nos potest ~~[illegible]~~ perdere, et quasi omne abire, et ipsorum naturalitatem, quia deus nos vocat dimittere omnia palatinum. Et dicit Christus tres partes. Primo ostendit quod duplex servitus sit appetenda. Secundo ostendit quod servitus sit vitanda. Tertia ibi. Ideo dico vobis. Tertia ibi. Quare ego. Prima pars est de duobus servitutibus. Sed ista duplex servitus sit duorum et duarum. Ut quando aliquis diligit unum et odit alium. Sicut quando aliquis contemnit unum et adorat alium. Sed ista diligit et aliud abhorret. Sic ardet universa assertione perdere. Quia ergo duobus dominis possit servire et non? Et quod sic, ut si duo domini vium volentes? Et propter hoc non? Et non duo domini? Dominus, a principatus, ut deus et angelus, vita et virtus, ratio et res. Non sicut eorum dominium volentes. Duo non esset? Et voluntate sit unum. Quare ergo non duobus dominis quorum voluntatem sit et permittere? Sed dicit quia clarus ipsum id est diabolus et servum deo et diabolo. Ipse quo laudiatur? Duas partes. Primo augmentum. Secundo ostendit quod non potest vadere? Deo et ibi.

Sed ego dico vobis non iurare omnino. Neque per celum quia thronus dei est. Neque per terram quia scabellum pedum eius est. Neque per hierusalem quia ciuitas est magni regis. Neque per caput tuum quia non potes unum capillum album aut nigrum facere. Sit autem sermo uester. Est est. Non non. Quod autem plus est a malo est.

Ego autem dico vobis non iurare omnino. Neque per celum quia thronus dei est. Neque per terram quia scabellum pedum eius est. Neque per hierusalem quia ciuitas est magni regis. Neque per caput tuum quia non potes unum capillum album aut nigrum facere. Sit autem sermo uester. Est est. Non non. Quod autem plus est a malo est.

participando, patet quia si deseruiam diabolo et eis operibus eius
essem. Ergo Deus est dominus
duo et dominus diuitiarum. Ergo
mundus non potest esse nisi duo
deus et diabolus. Ita quod primum
et secundum dicit quod non. Et
tota potestas seruiendi quod seruitus
sit a deo quamuis et quia deus
tota posse exercit, seruitus sua
non possunt alii seruire. Nulla
ratio non est seruitus, si seruus ad
suum ipsum seruiat deo. Et
dyabolus. Ergo ipse simul deus et dyabolus
sustinet. Et hoc sit, non quia proprie
et operum et sic seruus non est
qui ipsum desseruit. Non potest
deo seruire et mammone. Hic
sustinuit suum mammonem. Sui
ergo patet hic, et non adhuc per dominum.
Quia diuitiis est non quod di-
uitie sit in potestate eius. Hic est vnus
diuitiis ad deum deus et mammonem
nec potest esse diuitiis et repugnat seruire
ipsi non ad deum. Et non deum
tu diuitiis seruit et diuitias
possidet, seu habet. Nam diuitiis
seruit, et diuitias possidet. Ut
seruus non solum opus ad opus
domini et pecunia. Et diuitias
possidet ut suus, aliud, et dominus
ad opus domini et pecunia et di-
uitie seruiunt illi, et ipsis pro
uti, sicut ministri ad opus domini
et sed tunc sunt in podium et
ita sunt illi in dominio domini et
et non diuitie sunt non sunt in
eis, patet in vita pauperum, nisi
alterum a deum magnum deum esse ad
diogenem philosophum petit a me quid
et ipse ipsum dicit. Et ita di-
cio seruo seruit mihi ipse dicit.
diuitiis sunt seruit mihi. et in pauperis
diuitiis. Et est seruus mihi seruit.
Deo deus vobis. Et est 2 pars

quia non per deum et diuitias

quod patet, ita quia mundana. Dis-
suadet et quia potestatem mundi
habet, dicit quia ita deus est alimentum

non per vinum. Si vestitus et per sus-
tentationem nec, per deperditionem
quidem vestitus. et sit per amorem
valoris nubis, ut patet 2° de anima
Nec vestimentum, sed quod non per

nostrum contentum. et sit per deperdi-
tionem. Et ad quod saluator desiderat
potestatem ita alimentum, per non
nostrum, ut patet et bibit, quarum
prima est et. Deus dedit diuitias et
et dabit vestitum. quo ad operan-

mundi, non vestitus seu alimentum
sit vinum et ad, non alimentum sit
per manum et non equum. et quia
sit solitudo dei, creatum

Reddite Michi lætitiam salutaris
tui et spiritu principali confirma me.
Et docebo iniquos viam tuam
et impii ad te convertentur. Libera me
de sanguinibus deus deus salutis meæ
et exultabit lingua mea iustitiam tuam.
Domine labia mea aperies et os meum annuntiabit
laudem tuam. Quoniam si voluisses sacrificium dedissem
utique holocaustis non delectaberis. Sacrificium deo
spiritus contribulatus cor contritum et humiliatum deus non despicies.
Benigna fac domine in bona voluntate tua Sion ut edificentur muri
Ierusalem. Tunc acceptabis sacrificium iustitiæ oblationes et holocausta
tunc imponent super altare tuum vitulos.
Domine exaudi orationem meam et clamor meus ad te veniat.
Non auferas faciem tuam a me in quacumque die tribulor inclina
ad me aurem tuam in quacumque die invocavero te velocius exaudi me.
Quia defecerunt sicut fumus dies mei et ossa mea sicut cremium arefacta sunt.
Percussus sicut fenum et aruit cor meum quia oblitus sum comedere panem meum.
Ab voce gemitus mei adhesit os meum carni mea.
Similis factus sum pelicano solitudinis factus sum sicut nycticorax in domicilio.
Vigilavi et factus sum sicut passer solitarius in tecto.
Tota die exprobrabant mihi inimici mei et qui laudabant me adversum me
juraverunt. Quia cinerem tanquam panem manducabam et potum meum cum fletu miscebam.
Ab facie irae tuae et indignationis tuae quia elevans allisisti me.
Dies mei sicut umbra declinaverunt et ego sicut fenum arefactus sum.
Tu autem domine in eternum permanes et memoriale tuum in generationem et generationem.
Tu exurgens misereberis Sion quia tempus miserendi eius quia venit tempus.
Quoniam placuerunt servis tuis lapides eius et terram eius miserebuntur.
Timebunt gentes nomen tuum domine et omnes reges terrae gloriam tuam.
Quia aedificavit dominus Sion et videbitur in gloria sua.
Respexit in orationem humilium et non despexit precem eorum.
Haec scribantur in generatione altera et populus qui creabitur laudabit dominum.
Quia prospexit de excelso sancto suo dominus de caelo in terram aspexit.
Ut audiret gemitus compeditorum ut solveret filios interficiendorum.
Ut annuntient in Sion nomen domini et laudem eius in Ierusalem.
In conveniendo populos simul et reges ut serviant domino.
Respondit ei in viam virtutis suae. Nunciate mihi finem meum et numerum dierum meorum quis sit ut sciam quam
longus sum ego. Ecce mensuram posuisti dierum meorum et substantia mea tanquam nihilum ante te.
Verumtamen universa vanitas omnis homo qui vivit. Omnis homo ambulat in imagine sicut umbra.
Sed et frustra conturbatur thesaurizat et ignorat cui congregabit haec omnia.
Et nunc quid exspectem domine spes mea tu es. Ab omnibus iniquitatibus meis eripe me.
Factus sum opprobrium insipientibus tuis. Et ego tanquam surdus non audiebam et sicut mutus non aperiens os meum.
Et factus sum sicut homo qui non audit et non habet in ore suo redargutiones.
Quoniam in te domine speravi tu exaudies me domine deus meus.
Quia dixi ne quando gaudeant inimici mei et dum conturbatur pes meus super me magnificati sunt.
Quoniam ego in flagellis paratus sum et dolor meus in conspectu meo semper.
Quoniam iniquitatem meam annuntiabo et cogitabo pro peccato meo.
Inimici autem mei vivunt et confortati sunt super me et multiplicati sunt qui odium habent me.
Qui retribuebant mala pro bonis detrahebant mihi quoniam sequebar bonitatem.
Ne derelinquas me domine deus meus ne longe fias a me.
Intende in adiutorium meum domine virtutis salutis meae.
Deus meus et misericordia mea. Ne derelinquas me domine ne discedas a me.
Ne tardaveris. Ne recedas a me quia tribulatio proxima est quia non est qui adiuvet.
Multi circumdederunt me vitulorum tauri pinguissimi obsederunt me.
Aperuerunt super me os suum sicut leo rapiens et rugiens.
Sicut aqua effusus sum et dissipata sunt omnia ossa mea factum est cor meum tanquam cera liquescens in medio ventris mei.
Aridum sicut testa fractum est robur meum et lingua mea adhesit faucibus meis et in pulvere mortis deduxisti me.
Quoniam circumdederunt me canes multitudo malignantium obsedit me.
Foderunt manus meas et pedes meos dinumerabunt omnia ossa mea.
Ipsi autem considerabunt et inspicient me. Diviserunt sibi vestimenta mea et super vestem meam miserunt sortem.
Tu autem domine ne longe facias auxilium meum. Ad defensionem meam festina.
Eripe a gladio animam meam de manu canis unicam meam.
Salva me ex ore leonis et a cornibus unicornium humilitatem meam.
Narrabo nomen tuum fratribus meis in medio ecclesiae laudabo te.
Qui timetis dominum laudate eum. Omne semen Iacob glorificate eum.
Timete eum omne semen Israel. Quoniam non despexit neque contempsit deprecationem pauperis.
Nec avertit faciem suam a me et cum clamarem ad eum exaudivit me.
Apud te laus mea in ecclesia magna. Vota mea reddam in conspectu timentium eum.
Edent pauperes et satiabuntur laudabunt dominum qui requirunt eum.
Vivent corda eorum in saeculum saeculi. Memorabuntur et convertentur ad dominum omnes fines terrae.
Et adorabunt in conspectu tuo omnes cognationes gentium.
Quoniam domini est regnum et ipse dominabitur gentium.
Manducaverunt et adorabunt omnes divites terae.
In conspectu ipsius cadent omnes qui descendunt in terram.
Et anima mea illi vivet. Et semen meum servit ei.
Annuntiabitur domino generatio ventura et annuntiabunt caelum
populo qui nascetur quem fecit dominus.
Dominus regit me et nihil mihi deerit. In loco pascuae ibi me collocavit.
Super aquam refectionis educavit me animam meam convertit.
Deduxit me super semitas iustitiae propter nomen suum.
Etenim si ambulem in medio umbrae mortis non timebo mala quoniam tu mecum es.
Virga tua et baculus tuus ipsa me consolata sunt.
Parasti in conspectu meo mensam adversus eos qui tribulant me.
Impinguasti oleo caput meum. Et calix meus inebrians quam praeclarus est.
Et misericordia tua subsequetur me omnibus diebus meis.
Et ut habitem in domo domini in longitudine dierum.
Ad te domine levavi animam meam. Deus meus in te confido non erubescam.
Neque irrideant me inimici mei. Etenim universi qui te sustinent non confundentur.
Confundantur omnes iniquitatem agentes. Vias tuas domine demonstra mihi et semitas tuas doce me.
Dirige me in veritate tua et doce me quia tu es deus salutis meae.
Memento miserationum tuarum domine et misericordiae tuae quae a saeculo sunt.
Delicta iuventutis meae et ignorantias meas ne memineris secundum misericordiam tuam memento mihi tu.
Propter bonitatem tua domine propter nomen tuum domine propitiabis peccato meo multum est.
Quis est homo qui timet dominum legem statuit ei in via quam elegit.
Anima eius in bonis commorabitur et semen eius hereditabit terram.
Fortitudo domini timentibus eum et testamentum ipsius ut ostendat illis.
Oculi mei semper ad dominum quia ipse evellet de laqueo pedes meos.
Respice in me et miserere mihi quoniam unicus et pauper sum ego.
Tribulationes cordis mei dilatatae sunt de necessitatibus meis eripe me.
Vide humilitatem meam et laborem meum et dimitte omnia delicta mea.
Respice inimicos meos quoniam multiplicati sunt et odio iniquo oderunt me.
Custodi animam meam et eripe me non erubescam quoniam speravi in te.
Innocentes et recti adhaeserunt mihi quia sustinui te.
Redime deus Israel ex omnibus tribulationibus suis.
Iudica me domine quoniam in innocentia mea ingressus sum et in domino sperans non infirmabor.
Probabo me domine et tentabo me. Uri renes meos et cor meum.
Quoniam misericordia tua ante oculos meos et complacui in veritate tua.
Non sedi cum concilio vanitatis et cum iniquis non introibo.
Odivi ecclesiam malignantium et cum impiis non sedebo.
Lavabo inter innocentes manus meas et circumdabo altare tuum domine.
Ut audiam vocem laudis et enarrem universa mirabilia tua.
Domine dilexi decorem domus tuae et locum habitationis gloriae tuae.
Ne perdas cum impiis deus animam meam et cum viris sanguinum vitam meam.
In quorum manibus iniquitates sunt dextera eorum repleta est muneribus.
Ego autem in innocentia mea ingressus sum redime me et miserere mihi.
Pes meus stetit in directo in ecclesiis benedicam dominum.
Dominus illuminatio mea et salus mea quem timebo.
Dominus protector vitae meae a quo timebo.
Dum adhaerent mihi nocentes ut edant carnes meas.
Qui tribulant me inimici mei ipsi infirmati sunt et ceciderunt.
Si exurgat adversum me in hoc ego sperabo.
Unam petii a domino hanc requiram ut habitem in domo domini.
Ut videam voluntatem domini et visitem templum eius.
Quoniam abscondit me in tabernaculo suo in die malorum.
Protexit me in abscondito tabernaculi sui in petra exaltavit me.
Et nunc ecce exaltavit caput meum super inimicos meos in circuitu.
Et immolavi in tabernaculo eius hostiam vociferationis cantabo et psalmum dicam domino.
Exaudi domine vocem meam qua clamavi ad te. Tibi dixit cor meum quaesivit te facies mea.
Faciem tuam domine requiram. Ne avertas faciem tua a me ne declines in ira a servo tuo.
Adiutor meus esto ne derelinquas me neque despicias me deus salutaris meus.
Quoniam pater meus et mater mea dereliquerunt me dominus autem assumpsit me.

[illegible] 2 4a ps Jesus post
recitatam miraculi de multipli-
catione panum ostendit quod
[illegible] deitatis [illegible] suis
tradidit sibi obedientibus et suis
dispensatoribus. Primo enim homines
discumbere i. ad comedendum
residere. Erat autem fenum multum
in loco et ideo erat locus aptus
ad residendum comedendo et quia de-
inde ne oporteret homines infra
sedendo aliquod incurrere periculum
Et more aliquo homines comedendo
quiescebant sicut dicit alquinus
Distribuerunt quoque ordinate re-
sedendo viri a mulieribus divisi et
super de mulieribus autem et parvulis
tacet mos ebreorum. Et hii erant
numero quasi quinque milia. Ubi in nu-
mero plures erant ut pauperes
Accepit quoque Jesus panes ut exho-
rtaretur ostenderet eius miraculum fore
Et cum gratias egisset ordinabit
hoc nos cum prandium et post de-
gratias debere agere [illegible] quo erat
omne fecit preter mores [illegible] ipso
cum gratias egit. Et distribuit
non [illegible] per se ipsum sed per apostolos.
Discumbentibus i. comedentibus
non [illegible] sed mulieribus
et parvulis. Et [illegible] cum gratias
egisset ante quod miracula faceret
ut per demones ut medici [illegible]
sibi imponerentur. Distribuit
[illegible] per apostolos quoque piscibus quantum
volebant [illegible] quo ostendit se
ut ad sanitatem ut saturitatem
[illegible] fuerunt. Cum autem
repleti sunt [illegible] panibus et piscibus
ostendit divina multiplicatione Dixit
discipulis suis commendando eos per
apponere ad perpetratum miraculum
Colligite fragmenta que superfue-
runt tota multitudine multiplicata,

ne non [illegible] sed ne periret
Sed dedit aliis pauperibus quia
[illegible] non fuerunt ut apud eos
et per eos miraculum fieret divulgatum
Secundo quod [illegible] pro sacramentalibus
non negligant de quibus possent pau-
peres vivere. Collegerunt quoque frag-
menta et impleverunt ad summam
ut pateret reliquie duodecim
cophinos i. sportas fragmentorum
ex quinque panibus. Et duobus
piscibus qui superfuerant hiis qui
manducaverunt ad eorum saturitatem
Sed dicit [illegible] apostolis fra-
gmenta [illegible] quod duodecim quinque
milia [illegible] ut dicit [illegible]
[illegible] et [illegible]
[illegible] duos fecerunt sed sic
separat a [illegible] Et [illegible]
[illegible] fecerunt [illegible]
[illegible] Et quo ordinaverunt [illegible]
duo primo [illegible] et
ordinarie [illegible] fecerunt 2o
multitudinem comedentium [illegible] pos-
sibilitatem [illegible] Accepit
quoque Jesus panes. Dicitur panes
et pisces non fecit de nichilo
sed [illegible] saturitatem [illegible]
duos pisces multiplicavit. Dicit
[illegible] non
[illegible] ab eis [illegible]
[illegible] indigebat [illegible]
ut [illegible] creatores
[illegible] corporales ut panes et pis-
ces et creaturas a malo deo [illegible]
[illegible] boni dei [illegible]
panes et pisces [illegible] multiplicavit
[illegible] bonum [illegible] malum
multiplicasset. 3o [illegible]
[illegible] panes [illegible]
Sed per [illegible] multiplicavit
ut [illegible] magis notum

[illegible] multiplicatio quinque panum et duorum
piscium, sed panes et pisces
multiplicantur sed additione
alicuius materiae sicut de costa a
de sumpta corpori eius. Sed
sicut dicit ipse Augustinus de Trinitate
fecit ita per quinque corporis quinque
quasi absque additione materiae
sicut dicit ubi dicit multiplicatione
facta per quinque corporis quinque
materiae per generationem ut materiae
aeris ut alterum de parte fluvii
parte et pisces. Ipse vero multi-
plicavit sicut Dominus Deus
multiplicavit quidem panes
non per panum et piscium creat
secundum. Dicit ipse quod secundum
creat per quinque materiae in segetem non panes
illi quidem. Sed Augustinus
dicit sed creat ne quidem ipse
quod data fuerit multiplicata. Non dicit
fecit multiplicata. Non dicit
fecit ut ipse materiae
et. Apparet dicendum quod
per panes multiplicatos
postea fecit ut nos
illo dicit quod ad laudem
Dei ribos vero dicit Deus
et ipse Dominus quinque ut
si ribus fundendo inspiratus
aliquid mali quod corpori
vero nocet. Ut apparet
quidem tale est ut omnia
tale in superficie ipsius aque
ut maneat. Postea fecit
est. Instruens nos non dicit
quod solum de spiritualibus
dicitur sed corporalibus
ibus alimentis fecit ipse
Deus Dominus quinque dicit
quinque. Et dicunt dicit
qui ante est. Fecit dedit

Christo Christus gratias ag-
ens ad plenum gaudium et doctorum
Non ideo ipse fecit Deus
prius et ordinat ea quod fecit non
fecit quod denique non ante
magistra ut pharisaei dicebant
bat sed ipse aliquid multiplicat
fecit imperando ut ordinat se
a fame virtute quidem aliquid
fecit ipse operando ut ordinetur
se a fame obtutu Dominus ut
apostolo. Ipse non distribuit
distributentibus quod ipse panes
et quod pisces multiplicatos distri-
buebat tibi fuit a widgelis
tas quod apostolos. Et ipse
vocat prima ut quod ipse
honoravit et honorabiles pon-
pulis ribet qui vendunt
eos esse mundos tuti mun-
duli. Et ut quod ipse dominus
quod eos ribi student sua ne
tota distribui debet. Et ut
ipse forte redderet addens
quod panem panis quod se ipse
tractatos. Et non fortasse
tre tot milia saturata fuerit
ita ut quod ipse eis addit
quod quod habuerat a Deo
accepit. Et non quod fuerunt
pisces ablulerunt non superadde
tes aliquid. Et ideo quod ore tpe et

intelligitur per hoc tempus incarna-

diligatis invicem sicut dilexi vos. Maiorem hac dilectionem nemo habet ut
animam suam ponat quis pro amicis suis. Vos amici mei estis si feceritis
quecumque mandavi vobis. Iam non dicam vos servos quia servus nescit quid faciat
dominus eius. Omnia autem quecumque audivi a patre meo nota feci vobis.
Non vos me elegistis sed ego elegi vos et posui vos ut eatis et fructum
